Dear Parents and Carers,

Student Invitation to "Rise to 9" Revision Lunch and AI Strategy Session

We are writing to inform you of an important and engaging revision event designed to support our Year 11 students as they prepare for their upcoming exams on Monday 27 April during lunchtime.

Our **"Rise to 9" Revision Lunch** is scheduled to take place to provide a focused and enjoyable environment for targeted revision strategies. We will be providing lunch, **Domino's pizza**, for all attending students.

During this session, students will benefit from a session delivered by Mr. Hamilton focusing on effective revision techniques. Specifically, he will be sharing **strategies on how to use Artificial Intelligence (AI) to enhance and support their revision** methods. This is a crucial skill in the modern learning landscape, and we believe it will provide a significant advantage to our students.

This revision lunch is a targeted event for all students currently on the **'Rise to 9' programme**, as well as **other key students who express an interest in attending** and are committed to maximising their final revision efforts.

We strongly encourage all eligible students to take advantage of this opportunity to gain valuable strategies and dedicated revision time.

Thank you for your continued support of your child's education.

Yours faithfully,

Alison McQueen
Principal
