

12/02/25

Dear Parents/Carers,

We would like to invite the Year 7's to a School Disco on 27th February 2025.

Our amazing Y11's have decided to hold a Disco for our lovely Year 7's. They have chosen to do this to help raise funds for their Year 11 prom, to ensure that it is inclusive for everyone.

This is a great experience for the students to organise an event and fantastic fun for the Year 7's. The disco will be 5pm-7pm. Tickets will be £3 and are available to buy via parentpay.

The evening will consist of lots of dancing, a snack bar (students will need to bring money for this) and of course, lots of fun.

Even though the disco is outside school hours, we still ask that students don't use mobile phones and go on social media during the event, this is just to maintain the safety of our young people.

Please can you complete the google form attached for your child's attendance and how they will be getting home.
