March 2026

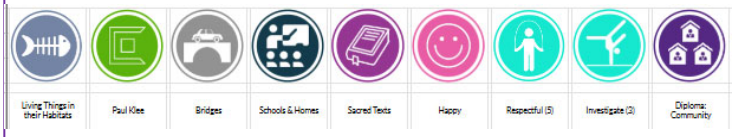
Spring 2

What an amazing half term we have had in I/2L. We have certainly tried our best fitting in lots of fun exciting things into 5 weeks.

To see if the children remember what we have learnt, show them our topics below and see if they can tell you what they remember.

Summer 1

Moving into Summer I we have got some amazing lessons planned. Here are the topics:

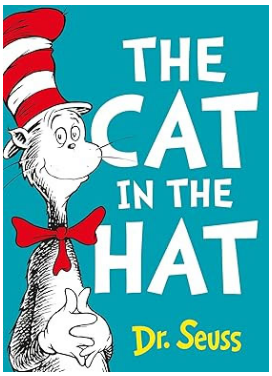


Please take a look at Google Classroom to find out what we do in those topics this half term.

Our Class Book and author is:

The Cat in the Hat by Dr Seuss

We have a range of books in class and we encourage the children to read an assortment of genres and topics but this will be the text that we base some of our literacy around and look at in depth.
We will learn about the author and look at other books he has written too.



English

Please remember to hear your child read their Read Write Inc book (coloured book) or their Accelerated Reader book at least 5 times per week. If they successfully read 5/7 times per week or get 100% on their AR quiz, they will get points which can be exchanged for rewards each half term. Superswirls are also given for reading at home too - Please evidence this in your child's planner.

Spelling - As discussed at Open Classroom - YEAR 2 children have spellings each week which they must try to practise at home and which will be tested on a Monday each week.

Maths

Please remember to support your child with their basic maths facts including KIRFs. These are sent home separately and on Google Classroom. Please practice these at home until your child becomes confident.

YEAR 2 children also need to learn their 2x, 5x and 10x tables and use TTRS as often as possible at home

Questions / Queries

If you would like to speak to me about anything, please email enquires or message me through Google Classroom.

Thank you for your ongoing support, please speak to me after school or ring/email the school office if you have any questions or concerns.
Thank you,
Mrs Long

Reminders

- Please ensure that everything that your child brings to school is labelled, this avoids belongings going missing, especially on PE days (PE kits in school everyday).
- Please ensure children have their planner and reading books in school every day.
- Please see the school newsletters for dates and events coming up in the future.
