We’re getting ready to welcome you back to school
Why should more children return to school?

- It is good for children’s mental wellbeing.
- It is good for children to socialise with others.
- School is the best place for them to learn.

What has changed?

From the 1st of June we will begin to welcome back children, but only from Nursery, Reception, Year 1 and Year 6. School will still be open for key workers’ children and vulnerable children. We will contact the parents of children in these year groups once we are able to confirm your actual start date.

Please do not send your child to school until you have received this confirmation.

What about their brothers and sisters?

- Only children in the year groups above can attend at this point.
- Children in years 2-5 need to stay at home and continue with their online learning.
- They can keep accessing learning via the Outwood Virtual Primary Academy.

How are you making sure school is safe?

We will check for risks before school is open and make sure we have put actions into place to manage these.

Everyone will wash their hands regularly.

If a child has any symptoms they can not come into school.

School will be cleaned more regularly.

There will be less children in a room together.

To do this we will need to make changes to the school day.

Does my child have to come to school?

If your child is well and in one of the groups asked to attend then they should come into school.

There will be no fines if your child does not come to school.

Will my child be tested?

Yes, if your child shows symptoms of Coronavirus you will be able to access a test for them.
What if there is a case of Coronavirus in school?

The person with symptoms must self isolate for 7 days.

The people they live with must self isolate for 14 days.

If anyone in a class tests positive, the class that they are in must self isolate for 14 days.

What else will change?

The time you drop off and pick up your child and also only one parent may drop off and pick up your child so that we can limit the number of people on site and promote social distancing.

Your child may have a different classroom & teacher, as all groups will be no more than 15 children.

They may not have all their normal lessons.

We will change how we serve lunch.

IF YOU HAVE ANY SYMPTOMS OF COVID-19 - DO NOT COME TO SCHOOL

A new, continuous cough or a high temperature. Loss of taste and smell.
