Children First
OUTWOOD
PRIMARY ACADEMY BELL LANE

What have we learnt this half term?

In writing, we have written an information text about the digestive system, a newspaper report about Outwood OutThere and a science fiction story based on The Creakers.

In maths, we have learned about fractions, how to add and subtract them and find equivalents as well as fractions of an amount.

In Science, we've learned all about electricity, which we also applied to our DT project of making torches. In French, we've learned how to say and describe different types of rooms in our houses and in PSHCE, we have talked about staying healthy and personal data online.
