27/06/2024

Dear parent / carer,

It is now a very exciting time that we are only a few days away from rollover and we have almost completed all of the year 10 mocks.

Teachers:

I am getting in contact again with the amazing news that I can confirm which members of staff will be teaching which group in the coming academic year for year 11. I am pleased to announce the following:

11x1 - Mrs Timms - k.timms@haslandhall.outwood.com
11x2 - Mr Roe - r.roe@haslandhall.outwood.com
11x3 - Mrs Gallagher - l.gallagher@haslandhall.outwood.com
11x4 - Mr Purrington - o.purrington@haslandhall.outwood.com

11y1 - Mr Smith - m.smith@haslandhall.outwood.com
11y2 - Mr Roe - r.roe@haslandhall.outwood.com
11y3 - Mr Farrar - c.farrar@haslandhall.outwood.com (Mr Genders up to the end of July - s.boot-genders@haslandhall.outwood.com)

Your child will soon be given their timetable which will outline which set and band they are in for year 11. There is still time for tiers and sets to change from assessments that they are doing now and will do throughout the year. So if your child wants to move to higher or move up a set there will be lots of opportunity to do so.

Google classroom:

Before the summer we will be sending out invitations to the new google classrooms for all students and I would ask you to help your child sign up to this as this will be a key area where we will share revision topics as well as versions of the lessons we will be teaching so they are able to revise at home.

Outwood Grange Academies Trust, a company limited by guarantee registered in England and Wales with company number 06995649.
Registered office address: Potovens Lane, Outwood, Wakefield, West Yorkshire WF1 2PF.
VAT number: 158 2720 04. Outwood Grange Academies Trust is an exempt charity.
A list of Directors' names is open to inspection at our registered office.

Sparx:

As year 10 ends next week, I would hope you would sit with your child helping them to complete their Sparx homework to enable them to use this tool as revision when it comes to year 11. Sparx club will still be running every Wednesday and Friday, 2:30pm to 3:30pm, to help students who are struggling with any topic.

Enrichment:

We are now also able to confirm the nights for year 11 maths revision will be every Monday, 2:30pm until 3:30pm, for these sessions once they start in September. These sessions are crucial in covering key exam techniques and also looking at topics they may be struggling with on a one to one basis. If you have any concerns or issues regarding this please do get into contact so we can discuss it further.

A little maths every day:

When thinking of maths we need to see it like a muscle in the body, to grow it and to keep it in shape you need to work it. To help with this I have attached two calendars, for each month, so you are able to do a little bit of maths every day with your child. You will find these attached to this email. The number skills are basic skills which everyone needs in every day life and the crossover calendar is based on the topics from the back of the foundation GCSE paper and the start of the higher GCSE paper. I will send out the answers to these two months in September to allow you to discuss the answers as a family.

If you have any questions regarding setting, revision or how you can support your child at home with their maths please do get in contact with either me or your child's maths teacher.

I hope you have a wonderful summer and enjoy doing a little maths everyday.

Kind regards

Mr Roe

Head of Maths
