## Science Week

This week, has been Science Week and the children have been fascinated by exploring and comparing different vegetables and matching animal pictures. They have learned a new word – symmetrical!

## Project Work

Our project this half term has been exploring and using different painting and printing techniques.

We have looked at colour mixing, printing, mono printing and colour wash. As usual, the children have listened, enjoyed and put their new skills into practice independently! Don't forget to look in our Class Books in the Nursery corridor to see what we've been doing.

## Twitter

To any of our new parents who have not already joined us on our secure Twitter page - don't miss out on what we've been doing in Nursery! Please ensure the office has your Twitter details and preferences before we can accept your requests. Don't forget to tweet your child's achievements at home also!
