

October 2022

Dear parents and carers,

We would like to invite you and your child to attend our Outwood Academy Hasland Hall Post-16 Providers' Evening between 18.00 and 19.30 on Wednesday, 2nd November 2022.

You will be able to talk to a range of sixth forms, colleges, employers, universities and training providers, and pick up loads of useful ideas and information. This evening aims at helping your child make plans for their next steps following their exams in summer 2022.

Our Providers' Evening offers the chance for students to learn first-hand from employers about work, employment and the skills that are valued in the workplace. It aims to broaden horizons and raise awareness of new emerging jobs and sectors that are set to grow in the future. For students interested in higher education, there will be a university in attendance to provide information on courses and graduate careers.

School staff, including our Progress Careers adviser, will be on hand to provide personalised and practical advice, and to guide you and your child through the wide range of options available.

Please complete the attached reply slip to confirm whether you and your child are able to attend.

We look forward to welcoming you and to taking the opportunity to further support your child with their Post 16 choices.

Yours faithfully,

Ian Cooper
Principal
