12 January 2026

Dear Parents or Carers,

Happy New Year! I hope you all had a restful and joyful Christmas break. It has been wonderful to see our students returning through the gates this week, filled with energy and ready for the opportunities that 2026 holds for us all.

As we begin this Spring Term, I want to take a moment to look back. Our first term of the academic year was truly exceptional. I would like to extend my heartfelt thanks to every parent and carer for your unwavering support. There were so many successes and highlights during Term 1, from academic achievements to creative showcases. I encourage you to take a moment to look through our latest school newsletter, which beautifully captures the vibrant spirit and accomplishments of our students and the community over the last few months.

Our Shared Priority: Attendance

As we start this new calendar year, I want to reaffirm our commitment to your child's progress. The most significant way we can work together to ensure success is through consistent attendance.

Every day in school is a day of discovery. When children are here every day, they don't just keep up with their curriculum; they build lasting friendships, develop confidence, and benefit from the structured support of our dedicated staff. Missing even a few days can create gaps in learning that are hard to bridge. We want every student to have the best possible chance to thrive, and that begins with being present every day.

Walk the School With Me

I am incredibly proud of what happens inside our classrooms every day, and I want you to see it too. I would like to warmly invite parents and carers to walk the school with me.

I believe that by experiencing the school day first-hand, we can further strengthen our partnership. You will have the chance to see the wonderful activities our students are involved in and witness the calm, purposeful environment they work in.
