Dear Parent/Carer

Re: Revision Event Tuesday 21 October 2025

On Tuesday 21 October 2025 we will be holding our Year 11 Revision event. We informed parents of this key date via letter at the start of term, so hopefully the date is already on your calendar!

This is one of the most important events of the year for all students in Year 11 as the evening will include the following:

- Information on how you can support your son/daughter this year
- An information booklet with key subject information, revision strategies, the **November mock timetable** and short sessions on effective revision strategies your son/daughter should be using
- A revision pack, containing revision materials, revision cards and highlighters! Tips for parents of how to support your child
- Praising Stars Data
- Prom - How your son/daughter will qualify for a place on the prom, details of instalment payments and how they could potentially earn a discount on tickets
- An opportunity to speak with Colleges

For the evening to have the impact required it is important your son/daughter attends the event with you.

Due to the anticipated high attendance for the evening and the fact each parent will have their son/daughter with them, we will be running the event twice, each time slot is scheduled to last approximately one hour, and we kindly ask that you arrive for a prompt start at either of the following times:
4.30pm start in the Theatre - You will have the opportunity to speak with the colleges after the sessions.
5.30pm start in the Theatre - Please arrive at 5:15 if you wish to speak with the college's.

We are committed to ensuring your son/daughter is successful this year and look forward to seeing you on the night.

If you have any questions about the event please do not hesitate to contact myself or Mrs Hill.

Regards,

Mrs N.Robinson
Associate Vice Principal
