

15th March 2021

Dear Parents & Carers,

Thank you for your support during the first few days of our full return to the academy. It has been fantastic to see how well the children have settled back into their learning and an absolute delight to see them working with friends whom they have only interacted with remotely over the past 8 weeks. We have made a positive, safe and confident return to school and I would like to reiterate our appreciation for the part that you have played in this.

I am pleased to be able to inform you that we will be holding a parent/carer consultation evening this term. Due to current restrictions, this will be hosted remotely using Google Meet. Most of our families will be familiar with using the google suite of resources due to the recent lockdowns. You will use your child's username and password in order to book and attend an appointment. If you require a reminder of these, please do not hesitate to contact us.

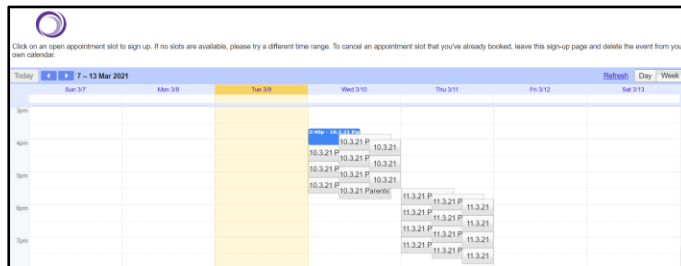

Our consultation evenings will take place in the week beginning 22nd March. To book an appointment you will need to visit the appropriate link outlined below. This will then offer you a range of available appointments all of which are 5 minutes in duration.

A video of how to undertake this process can be found at:
