OUTWOOD
PRIMARY ACADEMY BELL LANE

What have we learnt this half term?

In writing, we have written an information text about the digestive system, a newspaper report about Outwood OutThere and a science fiction story based on The Creakers.

In maths, we have learned about mass and capacity and are now gaining a deeper understanding of fractions.

In Science, we've learned all about electricity, which we also applied to our DT project of making electronic buzzer games. In French, we've learned how to say and describe different types of houses and in PSHCE, we have talked about staying healthy and personal data online.
