

14th October 2022

Dear Parents and Carers,

We have an exciting event planned for Tuesday 18th October 2022 to expose our children to the diverse cultures within our community, across Britain and across the globe. Our children will be working towards gaining the Outwood Primary Diploma. The first focus is 'Being a good British & International Citizen'. The name of the event is: **'We All Smile In The Same Language'**

We are inviting all children and their parents to visit the main school hall, from 3.15pm, where various faith leaders will have a display stall. These stalls will cover the religions: Buddhism, Islam, Christianity, Judaism, Hinduism and Sikhism and will be led by a working member of that particular place of worship. The mayor of Wakefield will be our guest of honour during the event.

As we have 31 different languages spoken at our academy, we are looking for parents, friends and family **to cook traditional dishes from their culture (including British dishes)** and bring them into school on 18th October. Any hot food should be brought in from 2pm as we do not have the facility to reheat food. We would love to get as many different dishes from around the globe and need your help. If you are interested in supporting this great event, please fill in the form below and return it to school. Please also complete the label on the back of the letter and attach it to any dishes you bring into school.
