28 March 2025

Dear Parent or Carer,

I write to you as we approach the end of spring term with Friday 28 March 2025 being the last school day for students and staff. From my conversations with students, I hear many of you have lots of activities planned.

Students have worked really hard this term and have plenty to be proud of. Every day walking around the academy makes me so proud of students and I hope you are proud of them too. This week students' will receive their praising stars reports alongside a year group celebration; there's plenty to celebrate.

The majority of our students consistently make the right choices regarding their behaviour; demonstrating kindness and respect through their interactions with peers and staff, thus showing resilience, maturity and self-regulation. Our overall attendance continues to improve week on week; it is so important to be on time to the academy and attend every day.

I have been working closely with our student parliament team and the wider school, listening to the views of our children. From this, there's been plenty of suggestions noted as to how we can continue to make the academy better. Student Voice will be delivering an assembly week commencing 14 April where they will share with all year groups the actions we have taken - "you said, we did". Further communications will be shared in due course for parents and carers voice/feedback.

We've had so many activities and events take place this term involving our parents, students, staff and community, thank you for your continued support.

Mrs Laher, our Associate Executive Principal would like to inform you that our Principal, Mr Scruby, has transitioned to a new role as Lead Principal at Outwood Academy Kirkby. While we will miss his leadership and dedication at Adwick, we are incredibly grateful for the positive impact he had on our school community. As we move forward, we are committed to finding a new Principal who will continue to build on this strong foundation and ensure the best possible education for our students. The recruitment process is already underway, and we will keep you updated as we progress

Thank you for taking the time to read this letter and I wish you all a restful break and look forward to seeing you all on Monday 14 April 2025.

Yours sincerely,

Mrs Gray
Associate Principal
