Principal: Mr Phil Abram

Dear Parent/Carer,

We are over half way through the exam season and the students continue to show resilience and determination. We are pleased at how they have approached the exams. We have really worked hard and students have seemed confident about their performance - this is not a coincidence. We only have three weeks to go. We must keep working hard until the end.

Tonight they need to have a well earned break. They should have a complete rest on Saturday and Sunday and recharge their batteries. On Monday we then need to start revising again. From Tuesday, revision sessions are available in school. Please see the table below. A reminder that if students arrive late then they may not gain access to the sessions as we may not have reception staff available. The students who attend these sessions and work hard in the lessons, with follow up revision at home, always do the best. Online masterclasses will continue throughout the exam period; the link to all timetables and recordings is [here](#).

| Day | Tuesday 26th | Wednesday 27th | Thursday 28th | Friday 29th | Saturday 30th |
|--------------|-----------------------------|----------------|---------------|-------------|--------------------------------|
| Subject | Maths Food technology | Geography | Science | History | Challenge Cup Final |
| 9.30 - 12.30 | | | | | |

Students are due back in school on Monday 1st June at 8:20am. Prom tickets will be distributed during an assembly (8.25am) and the draw for driving lessons will also take place. We will continue to change the timetable to prepare students for every exam.

Thanks for your continued support during the final stages of your child's journey. It is a pleasure to see the cohort of 2026 navigate these challenges with such enthusiasm. They are a fabulous group of young adults and deserve future success.

Yours faithfully,

Mr P Abram
Principal
