Dear Parents and Carers,

Filming at Outwood Academy Hemsworth

We are pleased to share some exciting news about a recent opportunity that we have had here at Outwood Academy Hemsworth.

Last week, our Academy was selected as a filming location from the upcoming British feature film *Faith*. The production team chose our site because of the quality of our facilities, particularly our T Level Health Suite, which was used to represent a hospital setting.

The film is a professionally produced British drama exploring themes of health, recovery and resilience. The production included a small professional cast and crew, featuring established UK television and film actors.

We would like to reassure parents and carers that at no point were any students or staff filmed or included in any scenes. The filming was fully contained within agreed areas and carefully managed to ensure safeguarding, privacy and minimal disruption to the school day as this was filmed after 2.45pm.

We are proud that our Academy was chosen for this project. Opportunities like this help to:

- Showcase the high-quality facilities and learning environment we provide for our students
- Highlight the strength of our growing Post-16 and T Level provision, particularly in Health
- Strengthen links with industry and the creative sector
- Bring positive recognition to Hemsworth and the local area

The filming was carefully planned and managed, and we are grateful to our students and staff for their cooperation and professionalism throughout.

As an Academy, we are always looking for opportunities that raise aspirations, connect learning to real world experiences and celebrate the strengths of our school community. Being selected as a filming location is a strong endorsement of the facilities, standards and positive environment we have here at Outwood Academy Hemsworth.

We look forward to sharing further updates when the film is released.

Yours faithfully,

Mrs L Perry,
Associate Assistant Principal – Deep Experience
