Outwood Academy Hemsworth - School Bus Service 36a

Dear Parent/Carer

It has been brought to our attention that there have been some issues with the 36a bus service, specifically in the area it serves around Havercroft.

We have worked with the bus operator and we can confirm that there will be two single decker buses now operating on this route.

The bus company has also developed a bus tracker app so parents and students can track the buses on both am and pm journeys.

If any more issues arise please do not hesitate to contact me.

Yours faithfully,
