These exams are **incredibly important** for preparing our students for their actual **summer exams that start in May**, as we want our students to produce their best work in order to achieve the highest grades in the real exams. Therefore, although we want our students to relax over Half-Term, can I please ask you to also encourage your child to **continue revising**, in order that they are prepared for these mock exams.

To assist with revision, our staff will be holding **Half-Term intervention sessions** in the Academy. Please see the range of sessions below that we have taking place at the academy. Students should enter the Academy via the normal student entrance, and ensure they sign their names on the sheets at the Student Information Desk. Students should bring any snacks/ drinks/ lunch with them.

The **exam season** will soon be with us, starting in May. Therefore, I would strongly encourage as many students as possible to attend

Many thanks in advance,

Yours sincerely

Nick Melson
Regional Vice Principal
