

19 February 2025

Dear parent/carer,

We are writing to inform you that our upcoming **mock examinations will begin during the week commencing Monday, 9th March**. These exams are an important part of the school calendar and play a crucial role in helping us assess students' progress in preparation for their final examinations later in the year.

Mock exams provide valuable experience for students by allowing them to practise exam techniques and manage their time effectively under exam conditions. They also give teachers essential information to identify areas where students may need further support or targeted intervention to help them reach their full potential.

We would like to stress the importance of **full attendance and punctuality** during this period. Missing a mock exam or arriving late can affect a student's confidence and the accuracy of our assessment of their current progress. We therefore ask for your full support in ensuring that your child attends every exam on time, fully prepared, and ready to do their best.

We are confident that, with your encouragement and support, our students will approach these mocks positively and use them as an opportunity to showcase their hard work and commitment.

Students have received their mock timetable and will also get a personalised timetable with the seat allocation.

Thank you for your continued support. Should you have any questions or concerns about the mock examinations, please do not hesitate to contact the school.

Yours faithfully

Mrs M Flack
Associate Vice Principal
