Dear Parent/Carers

Electronic and motorised scooters/vehicles

I am aware that some students are travelling to the academy using electronic scooters. Please be aware that these vehicles are classified as Personal Light Electric Vehicles (PLEV) making it illegal to use them on UK roads and pavements. Riders of these vehicles currently face a £300 fixed penalty notice for use on public roads.

To ensure the safety of our students these vehicles are not permitted on academy grounds. Please ensure that electronic or motorised vehicles are not brought to the academy, as students will not be permitted to use or store them on the academy site.

If you have any queries concerning this matter, please contact the academy in the usual way.

Thank you for your continued support.

Yours faithfully

Melissa Brant-Smith
Principal
