

27th February 2023

Dear Parent/Carer

**Re: E-Safety Workshop Invitation**

**Date: 22nd March 2023**  
**Time: 4:00 to 4:30pm**  
**Venue: The Hub**

It is important to ensure our students know how to stay safe online and they are aware about how their digital footprint can impact their future career. It is also important that we offer you the opportunity to widen your existing knowledge of how to stay safe online.

- Do you know what your child is doing online?
- Do you know what apps your child is accessing?
- Do you understand how to check and filter your child's internet use?
- Do you know how to keep your child safe online?
- Do you know if your child is talking to strangers or sharing the correct information, including photographs?
- If you have thought 'no' or 'hesitated' then please act now.

Our school website contains a wealth of useful information and weblinks designed to help parents with navigating apps, websites and devices and this can be found at [E-Safety - Outwood Academy Freeston](#)

We look forward to welcoming you to the above event, *please book seats as spaces are limited. Either scan the QR code or [click here](#) to reserve your place.*

If you would like to speak to one of the Safeguarding Team for specific advice, questions or queries, then please contact the academy using our [enquiries email](#).

Many thanks for your continued support and taking the time to talk to your child about how to stay safe online.

Yours faithfully

**Leigh Marsh**  
**Vice Principal**
