

June 2024

Dear Parent/Carer

Summer Mock Assessments

Please find on the reverse of this letter a list of mock assessments for Year 10 which started on Monday 12 June 2024.

We are aware that some students and their families will be celebrating Eid when the mock exams are taking place. Should your child wish to come into school to sit their exam and then leave to join the Eid celebrations we would require a note in their planners. Students must also attend their exams in full uniform.

Please note that Eid 2025 may fall within the official exam window.

If you have any concerns or questions relating to exam issues please contact Mrs Senior at school.

Yours faithfully

Mrs Kathryn Senior
Vice Principal - Deep Experience
