

Wakefield Families Together

Help and support for parents and carers

Wakefield Families Together (WFT) brings services together to join up how we work so that it's easier for you, should you have a concern about your child or family member, to find and access the support needed, at the earliest opportunity.

Find and access support at your local Family Hub

Everyone needs help and support at some point in their life. So, when you do and find it hard to deal with a difficult situation, or have worries around:

- family relationships,
- child development,
- speech, language and communication,
- behaviour,
- school attendance,
- emotional and mental health,
- domestic abuse or parental conflict,
- housing issues,
- or employment and debt problems.

Family Hubs can help direct families to the right people and services.

If you or your family feel you need **Early Help** or an intervention programme, then get in touch with us through your local **Family or Youth Hub**.

☑ Sometimes, the concern you have may need a group of professionals to come together to build a package of support with you and other family members so that we have the right expertise to help the whole family. This is where the **Team Around the School (TAS)** can support.

☑ As part of the TAS, families will have access to support from:

- School lead
- Family Hub or Youth Hub link worker
- Future in Mind
- Practitioner
- Education Improvement Teacher
- Inclusion and SEND
- Advisory Teachers
- 0-19 Health Service (including school nursing)

For more information, visit www.wakefieldfamilies.together.co.uk or speak to your child's school.
