Dear parents or carers,

Easter Maths Intervention

We are now just weeks away from the first GCSE maths exam for your child, and I am sure that you will agree that this is an exciting time. With this in mind, I am so pleased to be able to invite your child to attend an additional maths intervention in the upcoming half term holiday. This will take place on **Monday 30th March 12pm- 2pm** and will be led by myself. The intervention will ensure that your child is prepared for their first GCSE paper taking place Friday 14th May.

Students are not required to wear their school uniform on this day.

If your child has been invited to the English intervention taking place on the same day, we would ask you if you could provide your child with a packed lunch to allow them to do both interventions.

Please return the reply slip below to your child's maths teacher as soon as possible to secure them a place in this maths intervention session. Please also indicate whether your child will be making their way home independently or being collected from school.

I really hope that you will encourage your child to take up this fantastic opportunity.

Yours sincerely,

M. Livingstone
