Invitation: Careers Fair and Information Evening [Year 10 and 12]

Dear Parent/Carer,

The importance of good careers advice and guidance provides students with the information they need to make informed decisions about what steps to take at the end of KS4 and KS5. Early career advice provides insight into the different career options and allows students to make the best decisions for their future. We are committed to providing our students with 'good career guidance' and employer interaction. To support parents/carers and students with career discussions, you are invited to attend a careers fair and information evening in April held by Outwood Grange Academy.

There will be three booking slots available. Each slot is allocated one hour and thirty minutes. This includes a presentation to outline key information and resources to support you and your child making career decisions and includes information on the local labour market. Following the presentation, students and parents are encouraged to visit the range of Universities, Colleges, Employers, and Apprenticeship providers that will be available.

Career Guidance Advisers, University & Post 16 Provider Presence

The purpose of the event is also to support your child to think about the options available to them. It is okay for your child not to know what career pathway they would like to take at this point. With so many options available the next step can seem overwhelming therefore advice and guidance is crucial to make those informed decisions.

Also present at this event will be a range of providers, some of which are listed below, to provide advice, guidance and answer any questions.

- OGA Post 16 Provider
- Progress Career Advisers for KS4 and KS5 students
- The University of Hull
- Leeds Trinity University
- Leeds Beckett University
- The University of Huddersfield
- The University of Sheffield
- Leeds City College
- Wakefield College
- The Selwyn College, Cambridge

A booking form will be sent to you via text message to confirm your place at this event. We are expecting a large volume of students and parents at this event therefore the booking form must be completed to reserve your places at this event.

Please complete this form by Friday 14th April. Please note that should all spaces be filled before the 14th April, the form will close.

We look forward to welcoming you in April.

Yours faithfully
