

13th May 2024

Dear Parent/Carer of Y3 Children

Magna Science Adventure Centre 02/07/2024

The children of our Year 3 class are going on a visit to Magna on the above date. The children will be attending a workshop on Volcanoes and Rocks which will enhance and recap the learning they have undertaken this year and they will have the opportunity to explore the centre and engage in some independent learning.

The full cost of the trip is £795.00, the coach cost is £525.00 and the entrance and workshop cost is £270.00. The Academy can subsidise some of the cost, but request a voluntary contribution of **£19.85** per child towards the cost - payable on ParentPay please.

It is important for us to stress that in the event of an inadequate number of parental contributions, it will not be possible for the trip to take place and it will be cancelled.

Children will need a packed lunch and water bottle. If your child qualifies for a free school meal, we will provide a packed lunch on the day.

If the weather is warm, the children will also get the opportunity to go out into the outdoor adventure area, therefore we ask that children have adequate sun protection such as a hat and are wearing school uniform appropriate for the weather on the day.

We will leave and return within the school day.

We would appreciate if your contribution could be paid by the **22nd May 2024**. We appreciate this is a tight deadline, but Magna require confirmation asap.

Thank you for your continued support,

Mrs Foster & Ms Leonard
