

Dear Parent/Carer,

## Year 10 Maths Newsletter

As you will be aware, the Year 10 End of Term Assessments are approaching. Your child's teacher will be providing lots of support in class and extra revision material in lessons to be completed at home, however there are also lots of excellent online material as well so nobody should be in a position where they have 'run out' of revision. Some of the suggested websites are below and there are many others available too.

<https://www.mathsgenie.co.uk/papers.html>

<https://www.1stclassmaths.com/exam-papers>

<https://revision.maths.outwood.com/>

<https://www.onmaths.com/>

Your child will sit three, 1 hour and 30 minute papers, each paper worth 80 marks in total - one non calculator and two calculator papers. It will be extremely beneficial if your child has a scientific calculator for completing independent revision at home.

As students move into the final year of their studies it is an expectation that students stay back for their core enrichments, and maths will be starting on 21st June and run each Thursday, from 2:30 till 3:30pm until the end of term.

### **Upcoming key dates**

- After school maths Thursday 20th June
- After school maths Thursday 27th June
- After school maths Thursday 4th July
- After school maths Thursday 11th July
- GCSE Maths NC Paper - Monday 24th June
- GCSE Maths Exam Calculator Paper - Wednesday 26th June
- GCSE Maths Exam Paper 3 – Monday 1st July

Thank you for your continued support. Should you have any queries then please contact me by email at [e.flood@acklam.outwood.com](mailto:e.flood@acklam.outwood.com)

Yours faithfully,

Liz Flood  
Head of Maths
