18th December 2025

Dear Parent / Carer

Year 9 Guided Pathways Evening - Y10/11 subject choices
Tuesday 6th January 2026 4:45-5:45pm

I am writing to invite you to the Guided Pathway evening. This event will give you an overview of our curriculum and the choices available for Y9 students as they make their subject option choices for KS4. These choices will form their curriculum and qualifications for Years 10 and 11.

The evening will be made up of two parts. The first will be a presentation explaining the curriculum, the choices available and how you and your child will make these choices. The second will be an opportunity to speak to subject leaders about the courses on offer to help make those decisions

Your child will now have been given a guided pathways information book. This book helps to understand the process and provides a reference of all of the subjects that are available. This will also help when making the subject choices.

Option choices will be made electronically. After the evening has taken place, your child will receive an email containing a link to a choices form. This is to be completed electronically and submitted by **Friday 16th January 2026**. Late submissions may increase the chance of your child not being able to get their first choice subjects.

I look forward to seeing you on Tuesday 6th January.

Yours faithfully

A McGrath

Aniela McGrath
Assistant Principal
