

Monday 1st July 2024

Dear parents and carers,

Y3 OPA Diploma event 'Race for Life'

We are delighted to be able to invite you in for our Y3 OPA Diploma event 'Race for Life' this half term on Tuesday 16th July 2024. Please arrive at the academy (main reception) at 2.15pm for a 2.30pm start.

The Diploma focus this half term is leading a healthy lifestyle, where the children will be focusing on making healthy choices including eating healthily and taking part in regular exercise. Year 3 have been learning about Race for Life, why Race for Life events happen and the reasoning behind raising money for the charity linked for Race for Life.

Our Race for Life event has been designed by our Year 3 pupils to incorporate different ways of exercising, as well as incorporating challenging elements too. There will be opportunities to take part with your child/children if you wish. If you are wanting to take part with your child/children, we recommend wearing sportswear and trainers.

As part of the event, we are also hoping to raise funds to donate to Cancer Research, the partner charity of Race for Life. To do this, we will have a donation bucket at the event. During the event, we are also going to be hosting a cake stall. Any donations of buns, cakes, flapjacks etc would be much appreciated to sell at the event. Please can they be brought into school on the morning of the event

It is really important that a full list of ingredients is provided if you bake these yourself. The baked goods should contain **no nuts** as we are a nut free school and have children that have severe allergies. Unfortunately, any items containing nuts or traces of nuts cannot be sold at our stall so please check these carefully.

We look forward to seeing you there.

Thank you,
Year 3 team, Miss Holmes, Mrs Jagger and Mrs Barker.
