Year 4 Multiplication Tables Check (MTC) within the 2-week period from Monday 1st June 2026.
More information here Multiplication tables check: information for parents - GOV.UK

Attendance
We aim for all children to achieve 97% attendance which equates to only 5 school days off per academic year. Higher attendance in school is crucial for a number of reasons so that the children have.

- Opportunities to develop crucial social skills and try new things in a supportive environment.
- Strong relationships with staff and their peers.
- A sense of security and belonging within the school community.
- Routine
- Higher academic progress and achievement.

Every day counts and each day missed means missing important steps in their learning journeys which significantly impacts their understanding. If you are facing any issues around your child's attendance, please contact us so that we can help to support you and your child.

Thank you for your continued support.

Mr S Tait,

Principal
