Dear Parent/Carer,

RE: GCSE History and Geography Revision Guides

We are delighted to offer students the ability to purchase revision guides for both GCSE History and Geography at discounted prices.

For History students:

There are two options available for purchase. The first option is the basic revision guide which contains all the information students need for the course. There are also exam technique practice sections, and quizzes to help students revise. This would normally cost £7.50 to purchase but we can offer it for **£3.60**.

The second option is to purchase a collection of 4 guides for each unit studied. These are more in-depth in content than the basic guide and contain more focused exam technique sections. There are 4 in total. These would usually cost £6.75 each but we can offer them at £3.25 for a combined total price of **£13**.

For Geography students:

We recommend purchasing the AQA basic revision guide. This contains all the information students need to be able to revise for the GCSE course. This would normally cost £7.50 to purchase but we can offer it for **£3.60**.

These will be available for you to purchase on iPay from **Friday 24th October until Friday 14th November**. After this point, we will place the order in school for the amount purchased and then distribute them to students in class when they arrive.

If you have any questions or are unsure which book to order, please email me at e.bale@newbold.outwood.com.

Yours sincerely,

Emma Bale
