Dear Parent or Carer,

Exciting Times Ahead.

I would just like to take this opportunity - personally and on behalf of the Academy Council (Board of Governors) - to write to each one of you to wish you all the very best for the exams that you may have already started or will be sitting very soon.

It has been many years (many, many years!) since I sat an exam in school but I still remember how anxious I felt in the weeks leading up to them - conscious that I wanted to do well and to get the grades I needed to be able to move on to the next stage of my life.

Please remember that, unlike when I was a student at Adwick, there is help and support in the Academy for any of you who may feel those same anxieties, **you just need to ask, you won't be the only one.**

Finally, I hope that you will all take advantage of the revision sessions that your teachers will make it available to you over the coming weeks and that, ultimately, you will be able to sit your exams with confidence and, having completed them, be able to look forward to that day in August when you collect your results and we can all celebrate your success.

Yours faithfully

Judy Parker

Chair, Local Academy Council
