

Dear Families,

Virtual Author Visit with children's author Tom Palmer

On Monday 20th June, we have been so lucky to book a virtual author visit with the famous children's author, Tom Palmer. It will be such an exciting experience for our pupils to be able to listen to a real author sharing and discussing their work and interacting with the pupils to answer their questions and inspire our children to widen their reading choices and get creative with their own writing based on ideas from Tom's books.

We will be looking at Tom's work in school and with a special assembly to introduce Tom as a writer but if you would like to read some of Tom's books at home we have some links to free online books via the Tom Palmer website to give children a flavour of some of the subjects that Tom likes to write about, particularly football, sports and history.

Please use the links below to read some of his books with your child for pleasure and there are so many activities and quizzes to try on the website too, lets get exploring!
