1. Ensure good hygiene for everyone					
1.1 Hand hygiene					
Inadequate access to hand washing means that pupils and staff do not maintain good hand hygiene	H	<ul style="list-style-type: none"> Monitoring arrangements are in place to ensure that supplies of soap are maintained throughout the day in all designated hand washing areas. Additional external wash basins have been provided at key points around the school. 	Y	<ul style="list-style-type: none"> Staff at all entrances on a morning ensuring students are washing their hands. Staff are instructed to ensure all students sanitise their hands on the way into the classroom. Staff ensure students are sanitising their hands on the way into the dining hall at break and lunch. Staff are aware to contact the site team if they require sanitiser in classrooms. If any of the points around school become empty staff who 	M

				notice this are to let the site team know.	
Pupils forget to wash their hands regularly and frequently	H	<ul style="list-style-type: none"> Staff training includes the need to remind pupils of the need to wash their hands regularly and frequently, particularly before and after eating, after using the toilet and after sneezing or coughing into hands. Posters and electronic messaging boards reinforce the need to maintain good hand hygiene. 	Y	<ul style="list-style-type: none"> Staff ensuring handwashing is happening at the start of the day. Form tutors and teachers to remind students regularly about handwashing. Posters are around school about the importance of handwashing. 	M
1.2 Respiratory Hygiene					
Virus spreads through aerosol transmission in enclosed spaces	H	<ul style="list-style-type: none"> Posters and electronic messaging boards reinforce the need to maintain good respiratory hygiene, including the 'Catch It, Bin It, Kill It' message 	Y	<ul style="list-style-type: none"> Posters all around the school. 	M
Appropriate PPE is not available or worn	H	<ul style="list-style-type: none"> PPE levels are assessed on site regularly to ensure adequate stocks are available. PPE should be worn when staffing the ATS, when supporting a symptomatic individual or when cleaning an area used by a symptomatic individual 	Y	<ul style="list-style-type: none"> Business Manager ensures stocks levels do not drop too low. Staff have all been trained on the use of PPE and further training will occur for the AST set up. 	M
2. Maintain appropriate cleaning regimes					
2.1 Cleaning					

<p>Cleaning capacity is reduced so that appropriate cleaning standards cannot be maintained</p>	<p>H</p>	<ul style="list-style-type: none"> • Dining areas, toilets and high frequency areas are prioritised for cleaning more regularly throughout the day • Cleaning logs completed in key areas e.g. toilets, dining and high frequency areas 	<p>Y</p>	<ul style="list-style-type: none"> • Additional staffing in place to ensure the dining room is cleaned between sittings and high frequency areas are regularly cleaned. 	<p>M</p>
<p>3. Keep occupied spaces well ventilated</p>					
<p>3.1 Maximise ventilation</p>					
<p>Aerosol transmission is increased due to lack of ventilation in enclosed spaces</p>	<p>H</p>	<ul style="list-style-type: none"> • Spaces with poor ventilation have been identified and where ventilation cannot be improved, their occupation will be limited • Doors (not fire doors) and windows will be opened where possible to encourage natural ventilation of rooms and spaces (with the exception of fire doors) • Where there is mechanical ventilation this will be turned to full natural air flow if possible, or used in conjunction with natural air flow 	<p>Y</p>	<ul style="list-style-type: none"> • Rooms with poor ventilation only used where necessary. • Windows and doors to be open when a classroom or room is in use. • Mechanical ventilation in use where it is in place. Classroom ICT and DTP have no opening windows, only mechanical ventilation (to be kept set at 16 degrees); door to be kept open whilst occupied along with corridor and rear exit door. Fans to enhance airflow 	<p>M</p>
<p>4. Follow Public Health advice on testing, self-isolation and managing confirmed cases of COVID-19</p>					

4.1 Communication					
<p>Staff, pupils and parents are not aware of the school's procedures (including on self-isolation and testing) should anyone display symptoms of COVID-19</p>	<p>H</p>	<ul style="list-style-type: none"> • Staff, pupils and parents have received clear communications informing them of current government guidance on the actions to take should anyone display symptoms of COVID-19 and how this will be implemented in the school. • This guidance has been explained to staff and pupils as part of the induction process. • Any updates or changes to this guidance are communicated in a timely and effective way to all stakeholders. • Communication sent to all parents on using the NHS Covid-19 app • The school can refuse a pupil if a parent insists on sending them to school with COVID-19 symptoms • Staff and children upto the age of 18 (including upto 4 months after their 18th birthday to allow them to be vaccinated) will no longer need to isolate as a result of being a close contact 	<p>Y</p>	<ul style="list-style-type: none"> • Letter to parents with the new risk assessment attached with information on what to do if your child tests positive been made really clear. 	<p>M</p>
4.2 Isolating symptomatic children and staff					
<p>Symptomatic staff and children cannot be isolated in school whilst awaiting transport home to maintain infection control</p>	<p>H</p>	<ul style="list-style-type: none"> • Social distancing provisions are in place for isolation rooms. • Additional rooms are designated for pupils or staff with suspected COVID-19 whilst collection is arranged. • Procedures are in place for isolation rooms to be cleaned after suspected COVID-19 cases, along with other affected areas, including toilets. • Doors and windows will be opened to encourage natural ventilation of rooms and spaces (with the exception of fire doors) • Where there is mechanical ventilation this will be turned to full natural air flow if 	<p>Y</p>	<ul style="list-style-type: none"> • Covid isolation room remains the room opposite the ICT office. This will be cleaned after use. • Doors and windows to be open when a room is in use. • Always recommended a parent collects a 	<p>M</p>

		<p>possible, or used in conjunction with natural air flow.</p> <ul style="list-style-type: none"> Staff and students will be advised to avoid public transport as a means of getting home They will be advised to book a confirmatory PCR test 		<p>child or they walk or bicycle home. We strongly recommend a student does not go home on public transport if they have symptoms.</p>	
4.4 Testing and managing symptoms					
<p>Social mixing during summer holidays increases the transmission rate on the return to school in September</p>	H	<ul style="list-style-type: none"> 2 onsite lateral flow tests will be offered to all secondary age children on return to school in September, 3-5 days apart Students will be allowed to return to face to face lessons after their first negative onsite test (or immediately if not consented) 	Y	<ul style="list-style-type: none"> Testing planned for the Tuesday and Wednesday 7th and 8th September to give all students back in by Thursday 9th. Students will come in for the test and then go home - same procedure as March. Students will be allocated times to come in for their test. 	M
<p>Regular weekly testing is not used effectively to help manage staffing levels and support staff wellbeing</p>	H	<ul style="list-style-type: none"> Twice weekly home LFD testing available for staff and students to end of September 2021 Testing and tracing in place nationally Guidance on getting PCR tested if symptomatic has been published. The guidance has been explained to staff as part of the induction process. Home PCR Test Kits issued to staff/students 	Y	<ul style="list-style-type: none"> Test kits and guides given to students via form tutors for testing at home during term time Google form provided for logging results. 	

		<ul style="list-style-type: none"> A small onsite ATS will be maintained until the end of September 2021 to support any staff or students who are unable to test at home 		<ul style="list-style-type: none"> Regular encouragement to do this. One booth of testing will be available in school if required. 	
5. Well Being and Support					
5.1 Mental health concerns – pupils					
<p>Pupils' mental health has been adversely affected during the period that the school has been closed and by the COVID-19 crisis in general</p>	H	<ul style="list-style-type: none"> There are sufficient numbers of trained staff available to support pupils with mental health issues. There is access to designated staff for all pupils who wish to talk to someone about wellbeing/mental health. Wellbeing/mental health is discussed regularly in PSHE/virtual assemblies/pupil briefings (stories/toy characters are used for younger pupils to help talk about feelings). Resources/websites to support the mental health of pupils are provided. 	Y	<ul style="list-style-type: none"> School coach available once a week. Learning Managers and other staff have had specific training on mental wellbeing. Learning Manager or form tutor should be the first place for a student to go. All staff completing Flick learning on mental health in July Wellbeing Wednesday in form time. Section on the website called the green button with many resources to 	M

				provide support on mental wellbeing.

5.2 Mental health concerns – staff					
The mental health of staff has been adversely affected during the period that the school has been closed and by the COVID-19 crisis in general	H	<ul style="list-style-type: none"> Staff are encouraged to focus on their wellbeing. Line managers are proactive in discussing wellbeing with the staff that they manage, including their workload. Staff briefings and training have included content on wellbeing. Staff briefings/training on wellbeing are provided. Staff have been signposted to useful websites and resources. Staff are encouraged to use the staff EAP 	Y	<ul style="list-style-type: none"> Staff wellbeing very high profile. All staff completing Flick learning on mental health in July 	M
6. Education Recovery					
6.1 Attendance concerns					
Children do not attend school consistently as habits and social norms have changed	M	<ul style="list-style-type: none"> The need and value of attendance at school will be regularly reinforced with children and families PR campaigns regarding attendance will be launched Attendance staffing requirements will be kept under review to ensure that all absence is chased effectively Regular safeguarding phone calls to those children not attending Attendance fines will be reintroduced 	Y	<ul style="list-style-type: none"> Attendance to be a high focus. From form tutors to LM to SLT. Working with the educational welfare officer and the Local Authority. High presence of attendance on social media. 	M

		<ul style="list-style-type: none"> EHE is discouraged where requested by parents/carers Any concerns about EHE and child safety are reported to DSL and safeguarding policy followed X code will be used in registers where students are self isolating due to COVID symptoms 		<ul style="list-style-type: none"> Regular phone calls and home visits to those not attending. 	
<p>Children do not attend at the start of term due to isolating requirements after returning from abroad</p>	M	<ul style="list-style-type: none"> Children and parents will be reminded of the need to follow government guidance on quarantine and isolation following foreign travel Blended learning will be offered where possible in these circumstances Y code will be used in registers if absence is the result of travel disruption and quarantine requirements Where absence is the result of choosing to stay abroad or trying to avoid quarantine - unauthorised absence will be recorded in the register 	Y	<ul style="list-style-type: none"> Regular communication with home with updated guidance. Blended learning is ready and used where needed. Correct coding on attendance used. 	M
6.2 Closing the Gap					
<p>Pupils have fallen behind in their learning during school closures and achievement gaps have widened</p>	H	<ul style="list-style-type: none"> High quality remote and blended learning provision for all children isolating Technology provided to support remote learning where children cannot attend school Gaps in learning are assessed and addressed in teachers' short, medium and longer term planning Praising stars will be used to assess the impact of interventions Curriculum has been re-ordered to focus on learning priorities for the phase of education if it cannot all be caught up 	Y	<ul style="list-style-type: none"> High quality remote education in place. Technology has been provided to those that need it. Praising stars used to intervene and assess the impact. Intervention plans are in place. Additional catch up funding used 	M

		<ul style="list-style-type: none"> Plans for intervention are in place for those pupils who have fallen behind in their learning Additional catch up and recovery funding will be focused to ensure it targets children who have missed learning, this may include NTP, 1:1, summer schools etc 		for small group work in KS3.	
7. Operational issues					
7.1 Reduced staffing					
Staff are required to isolate following holidays abroad, making them unavailable for the start of the new term	M	<ul style="list-style-type: none"> All staff have been advised to follow government advice on the booking of holidays All staff have been advised of the need to be available for work and to plan any quarantine timings into their holiday plans Staff managing attendance policy and absence policies to be followed 	Y	<ul style="list-style-type: none"> Information shared with staff at briefing and via email. 	M
Transmission rates in staff lead to a reduced workforce	M	<ul style="list-style-type: none"> We shall be mindful not to create scenarios that could lead to increased transmission e.g. good ventilation and spacing when bringing staff together and in office spaces 	Y	<ul style="list-style-type: none"> Use the main Hall with all windows and doors open. After the first part split into support and teaching staff to reduce numbers together. 	L
Staff test positive of COVID- 19	M	<ul style="list-style-type: none"> Cover would be put in place to ensure learning continues On rare occasions, staff who are non-symptomatic may wish to still deliver their planned lessons remotely. Supervision would be provided in school in these lessons. Staff Attendance Policy - COVID Addendum will remain in place to end of September 21 	Y	<ul style="list-style-type: none"> Cover in place if staff are absent due to covid. If asymptomatic then staff delivering lessons from home. 	M
7.2 Sustained Improvement Plan Progress					

<p>Limited progress with the school's improvement plan as a result of COVID</p>	<p>M</p>	<ul style="list-style-type: none"> Senior Leadership Team (SLT) will share the school's SIP and agree short, medium and long term actions. 	<p>y</p>	<ul style="list-style-type: none"> Share with SLT and Middle leaders in September. Set up our actions from there. 	<p>M</p>
<p>7.3 Policy review</p>
