Celebrating Examination Success and Looking Ahead

Dear Parents and Carers,

As we move into the final weeks of the summer examination series, I wanted to take a moment to express just how immensely proud I am of our Year 11 and Post-16 students.

The exam season is always a demanding period, but our students have approached it with outstanding focus, maturity, and determination. The examinations so far have gone incredibly well. This is a direct result of the hours of revision, attendance at extra sessions, and the sheer dedication your children have shown over the last few months. They have been an absolute credit to themselves and to our school community.

I also want to extend a huge thank you to you, our parents and carers. Behind every successful student is a supportive home, and your encouragement and patience during this stressful time have made all the difference.

While many major exams are now behind us, we still have a crucial stretch to go. We continue to wish every single student the very best of luck in their remaining examinations. We are confident that if they maintain this fantastic momentum, their hard work will be rewarded.

I can confirm that our Year 13 students will not be required to attend Sixth Form for any lessons in which the subject is now complete (all final work is submitted/all exams have been sat in that subject). We still need Year 13 to attend all lessons where there is still outstanding work to complete or where all exams have not yet been sat, this is crucial to their success.

To help you plan for the end of the academic year, please find a summary of key dates and upcoming celebratory events below:

Date & Time	Event & Details	Year Group
Wednesday 10th June	Year 13 Leavers Event Leavers Assembly 2:00pm in the academy hall. Uniform is not required.	Year 13
