

10th July 2023

Dear Parents/Carers

Following the letter about the Summer Reading Challenge, we have decided to run a book donation point so that we can collect some books to give to children to read during the summer holidays.

If you have any spare children's books that you don't need anymore that you could donate, please send them in with your child by Wednesday 12th July, so that we can hand them out before the start of the summer holidays.

Thank you for your support!

Yours sincerely,

Miss Callaghan
