Dear Stakeholder

Consultation for Additionally Resourced Provision

Outwood Academy Bydales is working with the Local Authority on meeting the needs of young people in the area to add an Additional Resourced Provision (ARP) to our school. The provision will create 10 places initially for young people with communication and interaction needs, named as a primary need on their Education, Health and Care Plan; increasing to 15 places the following year.

If you would like to submit feedback regarding the change, you can do so via this [form](#). This letter and the form are also available via our website at www.bydales.outwood.com.

Should you have any concerns with the changes and/or wish to discuss further, please contact the academy via email at enquiries@bydales.outwood.com.

The consultation feedback form will open from today, Friday 20 February 2026 and will close on Friday 20 March 2026.

Yours sincerely,

Rob McGreal
Principal
