Dear Parents/Carers,

Mobile Farm Visit to School - 9th May 2024

This term our topic is 'Animals'. We are looking at different farm animals and plants. To support our learning on this, we have an exciting opportunity for children to take part in an animal experience. A special visitor will be coming to school and bringing with them some animals. Pupils will be given the chance to look at and handle the farm animals if they would like to.

If you would like your child to take part in this experience, we ask for a voluntary contribution of £3.00 towards the cost, to be paid via ParentPay. Please login into ParentPay and select '508021 - Ian's Mobile Farm May 2024'. Please ensure payment is made by 21st March 2024. It is important for us to stress that in the event of an inadequate number of parental contributions, it will not be possible for this experience to take place, and it will be cancelled.

Consent for your child to attend this experience is also collected from ParentPay.

Yours faithfully
