Pupils View: How to hand in work

The screenshot shows a Google Classroom interface for a class named '6LE - Mr Emmerson'. The browser address bar shows the URL 'classroom.google.com/c/MTY4MzU2MzQ2ODQ3'. The page has a navigation bar with 'Stream', 'Classwork', and 'People' tabs. The main header features the class name and a 'Meet link' to a Google Meet session. Below this, there are several activity cards: an 'Upcoming' card for a task due today, an 'Announce something to your class' card, and a card stating 'Liam Emmerson posted a new assignment: Setting Description'. At the bottom, a Loom video player is visible, showing a video of a man speaking, with a 'Stop sharing' button and a 'Hide' option. The Windows taskbar at the bottom indicates the date is 05/01/2021 and the time is 12:19.

Pupils: Finding Your Google Meet Code

The screenshot shows the OPA Online Learning dashboard. At the top, there is a navigation bar with 'OPA Online Learning' on the left and 'Stream', 'Classwork', 'People', and 'Marks' in the center. On the right of the navigation bar are icons for settings, a grid, and a user profile. Below the navigation bar is a large banner for 'OPA Online Learning' with a class code 'putsh3r' and a Google Meet link: 'https://meet.google.com/lookup/dtut6gc6uw'. Below the banner are two main sections: 'Upcoming' with a 'View all' button and a message 'No work due in soon', and a message from 'Ben McGarry' at 15:01. The message reads: 'Hi class, On Monday, please join this video meeting at 9:00am. We will use the same button to join together at 11:30am and 3:00pm, too. I look forward to seeing you in class.'
