Principal: Mr Phil Abram

Dear Parent/Carer,

As your child approaches their final examinations this summer, I am writing to let you know about a series of masterclasses which will be broadcast to support your child with their revision which have been made available to students across the Outwood Academy Trust. These lessons offer students live, hour-long, virtual sessions hosted in the evenings (between 4pm and 7pm) led by subject experts. If students miss the live lessons, these will be made available as recordings after the live event.

The link to the lessons and timetables is [here](#), **timetables for the following week will be added throughout the exams**. The link to next week's timetable (week commencing 4th May) which contains lessons to prepare students for their English Literature (Macbeth and Anthology Poetry) and Computer Science exams is [here](#). A timetable for all Maths lessons throughout the exams is [here](#). These links have also been made available to your child on their '**Year 11 Haydock 2025-26' Google Classroom**.

These lessons have been proven to be highly supportive and effective in providing key messages and support to Year 11 during their revision and we hope that your child will be able to maximise their use during their exam preparation.

Should you need any information regarding these classes please do not hesitate to get in touch at k.lane@haydock.outwood.com

Thank you again for your continued support of your child in preparing for their GCSE exams which is very much appreciated.

Yours sincerely,

K Lane
Miss K Lane
