March 2025

Dear Parents / Carers

Water Safety Assemblies

Throughout Monday and Tuesday next week, students in the Academy will take part in an important water safety assembly which is being delivered in conjunction with West Yorkshire Fire and Rescue, and the RNLI.

The assembly will be informative and interactive, with practical demonstrations taking place and a fire engine attending the Academy site. We believe this to be an important part of our students' education, particularly as we move into the warmer summer months - they are more likely to develop awareness and better understand the importance of staying safe around water, reducing their risk of accidents.

Students will attend lessons as normal, with teachers then bringing them over to the hall at the following times:

Monday 10 March

8:45am - 9:45am - Year 10 assembly

11am - 12pm - Year 11 assembly

1:30pm - 2:30pm - Year 9 assembly

Tuesday 11 March:

11am - 12pm - Year 8 assembly

1:30pm - 2:30pm - Year 7 assembly

If you feel your child would be affected by taking part in the water safety assembly, please contact the Academy as soon as possible.

Yours faithfully

M Hill
