Dear Parents and Carers,

We are writing to inform you of an important change in our school's Modern Foreign Languages provision. After careful consideration, we have decided to focus solely on Spanish rather than offering both Spanish and French. This change will take effect after Easter.

By concentrating on a single language, we can provide a more immersive and structured learning experience, helping students develop a stronger command of Spanish across all key language skills. This focused approach will enhance progression and lead to greater fluency and confidence.

This change also allows us to allocate resources more effectively and provide more targeted support. Spanish is widely spoken and offers valuable academic and professional opportunities for our students.

We understand this change may raise questions, and we are committed to ensuring a smooth transition. If you have any concerns or would like further clarification, please do not hesitate to get in touch.

Thank you for your continued support.

Yours sincerely,

Maria Hernandez Meza
