**June 2022**

Dear Parent/Carer

Firstly we would like to share with you how proud we are of our year 11 students as they continue to show fantastic application and effort during their exams. We wish to take this opportunity to thank you for your support during this period.

As subjects begin to complete their final round of exams we know that continued high levels of effort will ensure success and impact on their results, therefore, we are continuing to provide booster sessions onsite in preparation for the remaining exams with more of an onus on preparation at home across the next fortnight.

**From Friday 17th June 2022**, students will be required to be onsite from 8:20am - 12:00pm each day, where they will then be able to leave site to focus on revision for their remaining exams at home.

The exceptions to this will be if a student has an exam in the afternoon. This applies to the following exams:

- Friday 17th June - Polish Listening and Reading
- Tuesday 21st June - Hospitality and Catering

For many students their final exam will be Physics on Thursday 23rd June at 9:00am. Once students have completed this exam they will leave the site, unless they have a Statistics exam on Friday 24th June.

A reminder that the final exams take place as follows:

- Monday 27th June 09:00 - Polish Writing
- Tuesday 28th June 09:00 - Russian Writing

If your child is in receipt of free school meals then they will be able to access a school dinner as normal at 12:00pm. Please can you inform us by email [enquiries@brumby.outwood.com](mailto:enquiries@brumby.outwood.com) if your child requires this.

Yours faithfully

Mr A Warburton  
**Assistant Principal**
