- Each teacher is responsible for the Tutor time content of one week (3 days) during the year, suitable to be delivered to all year groups, based on the topics specified above. The resources need to include a recorded assembly introducing/discussing the topic/s and then follow up materials to complete during the week.
- Please make sure you add CPA as an editor on your share settings on recordings and slide shows to enable sharing of material.
- Any print out resources need to be given to reprographics in time for distribution.
- All resources to be with CPA by the end of the week prior to publication for QA.
- Please see CPA with any concerns or questions - I'm very happy to help with recording or advice about content.
