Dear Parents/Guardians,

Wraparound Provision - Pricing Structure Review at Outwood Primary Academy Greystone

We hope this letter finds you well.

We are writing to inform you of changes to our pricing structure for our wraparound care provision. Due to recent government announcements regarding increased National Insurance contributions for employers and rising staffing costs, we have had to carefully review our current pricing structure for wraparound care. Unfortunately, it is no longer financially viable to continue offering this service at the current rates.

Phased Price Increases

To help you budget for these changes, we will be implementing a phased approach to price increases.

Breakfast Club

In September the cost will be £5.00.

After School Club

In April the cost will be:
£5.00 per hour,
£10.00 for the full session.

We understand that these changes may impact your family's budget and routine. We are committed to providing high-quality care and will continue to work hard to balance the needs of our children and families.

If you require any further help or information on the above, please do not hesitate to contact a member of staff.

Thank you for your understanding and cooperation.

Yours sincerely,

Mrs S. McCarthy

Head of School
