Dear Parent/Carer,

RE: Additional INSET day

I am writing to update you regarding a change to our academy calendar this year. The final day of term, **Friday 18th of July**, will now be an additional INSET day for our staff. This means that students will not be expected in the academy and therefore the final day of school for our students, this academic year, will be **Thursday 17th July 2025** .

We are writing now to give you as much notice as possible as we appreciate this is a change to the published calendar for the academic year. The additional INSET day links to the new academy day in September and is to provide additional time for our staff, to ensure thorough training in advance of our new personal development curriculum moving forward. This additional day will ensure staff can be thoroughly prepared and ready for the implementation of this curriculum in September.

All academy term dates can be found on our website, using the link below:

Next year's term dates are already populated, should you need to refer to these.

Yours faithfully

Mr J Bridge
Principal
