

# FEEDING HUNGRY MINDS

WELCOME TO YOUR TERMLY NEWSLETTER!

DECEMBER 2025

**We are delighted to be  
the chosen caterer in  
your school.**

We believe that it is every child's right, not privilege to be able to eat a lunch that is freshly prepared everyday using quality, fresh and seasonal ingredients.

Over the next few pages, we have included a summary of how we engaged with our pupils in the last term, what is planned for the next few months, what do we do to constantly elevate and innovate and more.

# Creating school memories

December is a busy month for us with the long awaited Christmas Lunches. This year has been with no exception, we are expecting to provide approx. 3500 Christmas Lunches across the Barnsley contract

# Creating WOW moments

Some of the themes we have offered are

Halloween

Bonfire

Census day-space themed

Gingerbread decorating

Look on the school website for more information

**No beans about it, our lunch teams are the best!**

**Creating WOW moments**

We would like to wish  
you all

A Very Merry  
Christmas and a  
Happy New Year

**No beans about it, our  
lunch teams are the best!**

# Plates for the Planet

We're passionate to drive real change in the food industry – creating a better future for people, communities, and the planet. We recognise that all our activities can affect the environment, and we do what we can to minimise our impact.

- We supercharged our homemade meaty sauces with pulses that not only reduce the carbon footprint of the dish but also provide a more nutrient dense meal for your child. Look for the Plates For The Planet badge on our menu.

- We use responsibly sourced local products which leads to offering seasonal and fresh items and minimises food transportation.
- We are reducing food waste by implementing best practices.
- We are phasing out single use packaging and gradually replacing them with reusable, recyclable or compostable items

# Food for thought

Everything we do is driven by our passion to provide unique food experiences which nurture physical and emotional wellbeing and create sustainable outcome for children, school communities and the planet.

We thrive on feedback, and we would like to ask you to spare few minutes to share your feedback with us.
