Dear Parent/Carer

Aerospace Engineering day opportunity

We are delighted to share an exciting opportunity for a group of our students who have expressed an interest in engineering. John Leggott College has kindly offered us places for an **Aerospace Engineering Day** taking place on **Tuesday 2nd December**.

We apologise for the short notice, as we have only just been informed of this event. However, we felt it was too invaluable an experience to miss, offering students the chance to explore aerospace engineering through hands-on activities and expert insight.

Students will be collected by John Leggott College at **9:30am** and will return to school by approximately **2:30pm**. They should attend school as normal in the morning and must be in **full school uniform**.

A lunch will be provided for all students at the college. To support this, please ensure that the dietary section on the form is completed with any requirements and clear details of these.

We would also like to share a resource passed on to us by the college, which may be of interest to parents and carers: Home Page – The Schools' Aerospace Careers Programme This provides further information and insight into careers within the aerospace sector.

We kindly request that the **consent and medical form** is completed and submitted by **12:00 noon on Monday 1st December 2025**.

Thank you for your prompt attention. We are excited to offer this enriching experience to our students.

Yours faithfully

D Fitzgerald,
Principal

Outwood Grange Academies Trust, a company limited by guarantee registered in England and Wales with company number 06995649. Registered office address: Potovens Lane, Outwood, Wakefield, West Yorkshire WF1 2PF. VAT number: 158 2720 04. Outwood Grange Academies Trust is an Exempt charity.
