19th March 2026

Dear Parents/ Carers,

EXAMINATIONS – SUMMER 2026

Please find attached your son/daughter's **provisional** examination timetable and **provisional** Statement of Entry for the Summer 2026 examinations.

The timetable shows all timetabled units that will be sat in an examination room.

The Statement of Entry shows all examinations entered including coursework units, practical, performance and oral examinations.

All practical, performance, controlled assessment units and oral examinations will be timetabled by the departments. Students will receive these dates from their subject teachers and should add them to their provisional timetable.

Your son/daughter will receive a **final** examination timetable nearer to the start of their examinations.

Please ask your son/daughter to carefully check the following:

- They are entered for the correct examinations and at the correct level/tier. If your son/daughter feels that the information is incorrect, they should approach their subject teacher **immediately**.
- The name which will be printed on their exam certificates is correct. This is displayed on their Statement of Entry. If this is incorrect, please contact the school **immediately** so that this can be amended. If this is not amended now, there may be a charge to change this information at a later date by each exam board.

Morning examinations will start at 9:00am

Afternoon examinations will start at 1:05pm – alternative travel arrangements may be needed for late finishes

Please ensure that your son/daughter understands their mobile phone and any type of watch **MUST** be turned off and left in their bags.

All students should carefully read through the candidate information book informing them of all Outwood Academy Newbold Examination Instructions along with the JCG Exam Board regulations which should be strictly adhered to. These two documents can be found on the Academy website in the exams section and attached with this letter.

Please note the contingency exam date is Thursday 24th June 2026. Students must be available up to and including this date should exam boards need to reschedule any exams. Failure to attend any exam moved to this date will be marked as absent and subsequently will not be graded.

Kind regards,

Matthew Cheetham
Exams and Assessment Officer
