 Principal: Mr Phil Abram

Dear Parent/Carer,

It continues to be an absolute pleasure to work with your children everyday. With 25- 27* school days left we are dedicating as much time as possible to supporting the students through this vital time in their life. We need to make the most of every day. Please email me at any time if you need anything p.abram@haydock.outwood.com. (*27 for Spanish students).

Next week in assembly we will remind students of our plans for the next few weeks. Pupils will attend lessons until their final examination. For most students this will be Monday 15th June. The timetable has been modified to ensure that year 11 are our priority. They will have lessons covering key content and predicted questions before each exam to ensure we achieve the best possible grades. As pupils complete subjects, alternative lessons will be added with subject specialists or directors.

As stated we have 25-27 school days left but we also have 20 non-school days. It is really important that you encourage students to revise thoroughly at home. Students should make a timetable and try to stick to a routine. On Monday students should be revising at home. Once the exams are over they can go back to being unpredictable teenagers again!

We will again be offering revision lessons during the May holiday and potentially some lessons at weekends.

9.30am till 12.30pm				
Monday	Tuesday	Wednesday	Thursday	Friday
Revise at Home	Maths Food Technology	Humanities	Science	Revise at Home

You will also receive the master class timetable via Miss Lane. These are lessons produced by experts who mark the exam papers.

Thanks for your support. It can be an emotional and difficult period of time but if we work together and do everything we can each day and look after the students, we will be celebrating in August and the students will have the best choices for their future.

Have a revision filled weekend.

Yours faithfully,

Mr P Abram

Principal
